

## **USS PUEBLO RELEASE SUMMARY #2**

June 2013

This is the second in a series of NSA transparency releases of previously classified archival documents pertaining to the North Korean naval forces January 1968 seizure of the U.S.S. Pueblo in international waters. The 50 documents in this release comprise 150 pages of material, including maps, NSA memoranda, intercepts of North Korean broadcasts of captive crewmember statements, and other miscellaneous documents. The subjects covered include the patrol and capture, subsequent damage assessments and Congressional hearings, crew release and debriefing, and lessons learned. The documents in this release provide additional information on the Pueblo incident and should prove interesting to researchers and other interested parties.
